Open Burning To Be Prohibited After Sept. 1st

Albany Fire Chief Gerald D. ... announced today that open burning will be prohibited after Sept. 1st. After this date it will be unlawful to do any burning of any kind. All burning thereafter must be done in an approved incinerator after obtaining a permit from the city department.

Open burning was allowed as an emergency measure in order to allow persons to burn dry brush from their property during the recent dry spell. Chief ... says that the Air Pollution Control District does not favor burning of any kind that hardship cases may be caused by the local Fire Department. The Chief believes that all burning should have this burn completed by Sept. 1 and the dry period withdrawn.

Junior Citizens Plan White Elephant Sale

Among the activities scheduled for August by the Albany Junior Citizens is a white elephant sale to be held at the Center, 1223 Eighth Street, on Sunday, Aug. 16. Committee chairman Mino Hitchcox urges all members to bring to the Center now and then articles that may have for which they no further use but which may be useful or decorative for someone else.

Wednesday, Aug. 19, the group will hold a picnic at Alvarado Park in Richmond. All members will meet at the Center, 8th and Monroe Streets at 10 a.m. will be available there to everyone to the park which is the end of McBride Avenue from San Pablo Avenue in Richmond.

MARIN PTA MOTHERS are busy stockpiling articles of trade for the stalls of the "Persian Market."

On Aug. 26 at Mrs. Fred McCollum's, 1607 Sonoma Ave., L.A. 6-9746, a nosebag lunch at noon will precede the workshop meeting.

All the Marin mothers who can sew, weave or bake pakhalava are urged to attend.

LEON RIMOV, Junior Associate of East Bay Chapter, The American Institute of Architects, will speak on shopping centers to the luncheon meeting of the Albany-North Berkeley Kiwanis Club on Thursday, Aug. 20.

The noon luncheon meeting will take place in the Red Barn, 1742 Solano.

Mr. Rimov's topic will be "What Makes Shopping Centers Click?"

DR. SAMUEL WARREN SMITH will be the speaker at next Tuesday's luncheon of the Albany Rotary Club. His subject will be "Urology — Indoor Sport." Dr. Smith is a native of Oakland, a graduate of the University of California and its Medical School, and has been a practicing specialist since 1946. He is a member of the Berkeley Rotary Club and is associated with Dr. Miles Griffin and Dr. Albert M. Meads. The luncheon as usual, will be held at Spenger's Grotto on 4th Street, just north of University Avenue in Berkeley.

MARION STREETER ROLINS was the surprise guest at a baby shower given for her by Miss Barbara Enoksen on Friday, Aug. 7, at 1218 Garfield Avenue, Albany. Marion was surprised by many of her fellow graduates of Albany High School Class of 1959 and her many friends and relatives.

THERE WILL BE A HOP 'N GLIDE DANCE this Thursday night, Aug. 13, at the Cornell School auditorium. Mirian Heath will give instruction in folk dancing. An invitation is extended to men and women over 50.

THE ALBANY STAR SEWING CIRCLE will hold a dessert whist party at the Albany Masonic Temple, 533 San Pablo Avenue, on Wednesday, Aug. 19, starting at 12:30 p.m.

THE ALBANY DEMOCRATIC WOMEN'S FORUM will hold its regular monthly meeting on Tuesday, Aug. 18, at the Community Center, University Park. The meeting is scheduled to start at 11 a.m. Mrs. Charles P. Murphy will preside. Nicholas Petris, Assemblyman from the 15th District, will speak on legislative actions of the last legislature.

Applications for 'Workreation' Jobs Now Open

Albany Recreation and Parks Superintendent E. L. Nelson announces that applications are now being taken for boys to be employed in Albany's Workreation Program.

Boys must have work permits and be residents of the City of Albany. Preference will be given to boys who are to be seniors in high school this next fall term. Work to be done will be in the Albany Parks under the supervision of the Parks Department.

Application forms may be obtained at the Recreation Department office, 850 Masonic Ave.

Concord Woman Guest of Seniors

At their meeting on Aug. 4th the Senior Citizens of Albany were privileged to have as their guest a Mrs. L. N. Tempton, a member of the senior citizen group of Concord. Mrs. Tempton gave a short talk and outlined the programs and rules usually followed by their group. The part of her talk which intrigued the Albany seniors most, however, was the interest which seems to be displayed in their welfare by the City of Concord, their Recreation Department and the citizens as well as the various clubs who often volunteer their services to help transport members who otherwise would be unable to attend the meetings.

Recreation Dept. Lists Activities At Albany Parks

John Rodgers of Kensington won the weekly games club sand castle contest at Memorial Park in Albany with Mark Foster of El Cerrito being awarded second prize. The kids compete weekly for prizes every Wednesday afternoon.

Merle Eaton, playground director, announced that the children are really enjoying the free movies which are shown every Tuesday afternoon in the park clubhouse. Cartoons as well as educational movies are presented in these sessions.

June Farley, Memorial Park director, is now recruiting children for her garden club. A piece of land has been procured in the park in which the children will be allowed to plant and take care of the flowers.

The Memorial Park wading pool is proving to be one of the most popular facilities at the park. The kiddies are allowed to run and play in the pool every afternoon from 2 to 4:30.

Memorial Park directors declare that the physical fitness program is now in full swing. John Koser, 6½ years, of Albany, was the first to initiate the program. This is a program where the boys and girls are allowed to try to complete the pre-set physical fitness standards for playground trophies.

The City playgrounds are now anxiously planning the city-wide carnival. It will be held at Memorial Park on Sept. 4. The directors who will head the playgrounds that will participate in the event are Merle Eaton from Memorial, Gene De Soto from Terrace, and Mary Peck from Community Center.

Wes Tamm and Phil Givant announce that the competition is really building in the teen-age chess and ping-pong leagues. At the present time John Souza leads in the ping-pong league and Bill Wigmore leads in the chess.

VFW Bowlers Plan Winter Season

Albany Post 2658, Veterans of Foreign Wars, is accepting registrations for the post's bowling team to participate in the winter league season. Team captain is H. O. Walters, 931 Masonic Ave. Adjutant Ted Finkbohner asks that anyone interested communicate with him for further details. His telephone is LA 6-7599. Membership in the post is open to all veterans who have served overseas with honorable records.

ACTIVITY AT THE ALBANY YMCA. Above is group of "Y" officials gathered at the Albany building, going over plans for remodeling and rehabilitation of the old structure at 921 Kains Avenue, as work on the project begins. Elmer F. Coble, executive secretary of the Albany "Y"

it at right, while kneeling, left to right, are Harold W. Olson, chairman of the group's fund raising business unit; Dr. George McGinnis, Assistant Superintendent of Berkeley schools and chairman of the Berkeley area YMCA building committee, and Sid Wallace, co-chairman of

the building funds committee. Standing are, left to right, Walter Kees, chairman of the Albany special gifts division; Cecil Wentz, co-chairman of the business unit, and W. H. "Bill" Simmons, chairman of the Albany "Y" board of management.

Chamber Chatter

Interested in investments ... in the future? One of the soundest long range investments is brainpower! The interest — or lack of it — which, you as businessmen in Albany, show in the youth of our city will have direct influence on our future economic progress — that is why the term "investments."

How much do you know about the people who protect and develop these investments for you? They are the teachers in our Albany schools ... these very important people need to feel appreciated, respected and have a sense of belonging to the community.

Albany is extremely fortunate in having some outstanding teachers in the schools. Special recognition goes to four members of the Albany High faculty. Miss Elance Vranna, mathematics department, has been attending the University of California this summer on a fellowship provided by the National Association of Math and Science Teachers. Mr. Mauri Gould, science department head, has been

teaching math and science to teachers from all over the West at the university under the auspices of the same organization. Mr. Wilford Tracy of the business department has received a fellowship to attend the Northern California Conference on Consumer and Economic Education, sponsored by the San Francisco State College. Mr. Wallace Choy, also of the business department, has been involved in a work experience program of retailing, merchandising, inventorying and retail promotion, preparatory to the establishing of more practical and beneficial business courses along this line at Albany High.

It is in the hands of these capable people we place the development of our investments in the future ... let us give them the recognition they deserve.

To recognize the importance that the Albany schools and their teachers play in the progress of your city, your Chamber of Commerce has a series of activities planned for the coming year in cooperation with the Albany School System.

A new school term begins Sept. 14th and there will be seven new teachers and a new school nurse. A "Welcome to Albany Luncheon" is planned for them Sept. 10th.

Warmest of welcomes to Harry and Edith Cooper, new comers of Payless Cleaners, 901 San Pablo Ave. ... success in your new venture.

Just a reminder ... too many people ruin what could be a happy and progressive today by dwelling on a lost "yesterday," and in this way jeopardize "tomorrow." Albany citizens are lucky ... we have a second chance for a better "tomorrow" by voting on the new city buildings at the special election Sept. 29th. Remember, a city can only go two ways — forward or backward — and you as the voters shift the gears.

Consideration for the family comes first.

L.L. Indians Take American League Title for 1959

In one of the most exciting series in the three-year history of the Albany Little League, the American League Indians won a two out of three series from the Tigers last week to wind up the 1959 season, and take the American League title.

The Indians started off the action with a 7 to 5 win over the Tigers on Monday evening and then the Tigers clawed their way back to even up the playoff series with a 16 to 8 victory on Wednesday.

In the final game on Friday both teams fought hard with the Indians coming out on top 9 to 8. Mike Collins, who went all the way on Monday, also came back on Friday to pick up his second victory of the series. Gordon Pitter hit two homers for the Tigers in the final game.

On Saturday the Albany Little League All-Stars met the Berkeley Odd Fellows team in their third annual game with Albany coming out on top 4 to 0. Gary Armesine pitched the shut-out win for Albany and aided his own cause with a home run. Dave Thomas also hit a homer for Albany.

Albany Preschool Reopens for Fall Term

They were expecting 53 children Monday when Albany Preschool at 859 Masonic Ave. reopens for the fall term, but one will be missing.

Three-year-old Mimi Horning, whose given name was Marie, died Wednesday morning in an automobile accident which also took the life of her father, Robert Horning. The death of Mr. Horning marks the 3rd time in a year that a preschool father has died. The night before his accident, his wife was at a pink and blue shower given by Preschool Mothers for a member widowed within recent months.

Preschool children have been on summer vacation since June 12. During the week of June 15, Mrs. Earle Watkin and Mrs. William Belden supervised work week as everything was scrubbed and painted by preschool mothers and fathers. Each family contributes six hours of labor for each child enrolled.

The new board of directors met for the first time on Aug. 12 at the Watkin home at 836 Key Route Blvd.

ELECTION PLANS SET FOR CITY BOND VOTE

Albany voters will be given the opportunity on Sept. 29 to decide whether or not the city is to have some modern buildings to replace those which have deteriorated and become obsolete as the city has grown.

At Monday night's council meeting Resolution No. 59-77 covering the need for the new buildings, and Ordinance No. 59-015 calling for a municipal bond election on Tuesday, Sept. 29, were passed 4 to 1. Mrs. Zahn voting "No" on both motions.

The ballot will be divided into two parts. Item "A" will call for a bond issue of \$365,000 to cover construction costs of a new police building costing \$190,000, and a new fire house costing \$175,000. Item "B" is for a new city hall to cost \$220,000. The costs in both cases is to cover moving costs to temporary quarters and all equipment, furnishings and fixtures. Total bond issue, if both measures pass, will be \$585,000. The bonds will necessitate a raise in the tax rate of only 12 cents per \$100 of appraised value. This would mean a tax rate of \$1.78 per \$100 instead of the present 1959-1960 rate of \$1.66.

According to an analysis presented by the Mayor, the tax increase will mean that the owner of a home valued at \$12,000, with an assessed valuation of \$2500, will pay an additional \$3 per year over the present rate.

The buildings are to be erected on property now owned by the city and purchased more than a year ago out of the city's capital outlay fund for approximately \$45,000. An addition 50 by 50 lot at the southwest corner of Kains and Washington will either be acquired by purchase or condemnation to complete the area required for the police and fire department buildings. The new city hall would be built on the present site including property on the northeast corner of Adams and Solano, which was purchased last year.

The present city hall is a converted store, is badly ventilated and heated and is totally inadequate to care for the departments housed there. The building is old and city records and valuable papers have been crowded out of the small storage vault.

The police department is now housed in an old dwelling that was converted to its present use in 1940. It is termite infested, the roof leaks every winter, and the costs of upkeep are increasing year by year.

The fire department is housed in an old building secured by the city in 1915. Sanitary and engineering inspections have condemned it as unsafe, far below health standards and inadequate for the housing of the firemen on shift. The electric wiring is far below safety standards.

There is some \$24,000 in the capital outlay fund at the present time, which will be ample to provide for acquisition of the lot at the corner of Washington and Kains. This sum, together with the forty odd thousand expended in purchasing the property last year, was provided through savings out of the annual budget at the rate of about ten thousand a year.

Alameda County Girl Enters Maid of California Pageant

SACRAMENTO—Nancy Faye Farnam, a pretty, 21-year-old Livermore girl, will represent Alameda County in the California State Fair and Exposition's Maid of California Pageant.

Nancy is five feet, six inches tall, weighs 128 pounds, and has blond hair and blue eyes. Her figure is a shapely 36-24-36.

Nancy hopes to follow a career as a photographer's model.

In the Maid of California Pageant, Nancy will be competing against girls from almost all the state's 58 counties.

Judging will take place on Aug. 30 at the State Fair Grounds, and at that time 11 finalists, the Maid of California among them, will be chosen.

Identity of the winner will remain a secret until Sept. 2, opening day of the Fair, when during opening day ceremonies the Maid

Rodeo Queen of 1955. Earlier this year she was named Maid of Castro Valley, and most recently was crowned Miss Alameda County.

WHAT'S DOING

Deep on the ocean floor, underseas telephone cables carry calls from this country to Alaska, Hawaii, Europe. A cable ship like the one above put them to stay. Just imagine the problems involved if they should go wrong with one of these cables—sending a repair ship, locating the trouble spot, fishing cable. It could cost as much as \$250,000! So our engineers had to design all the tubes and tiny parts that go into an underseas cable to work easily for at least 20 years without attention. A kind of telephone know-how, backed by research, that makes your service more dependable whether you call across town or across the world.

Mobile Broadcast Informs Customers of Call
Five hundred telephone customers were affected when a digging machine severed two underground cables in the Oakland-Berkeley area. Repair crews went to the scene and steps were taken to advise all in the affected area of the trouble. A Pacific Telephone vehicle was taken to the Patrick David Sound in Oakland. In less than one hour the car was on with four loudspeakers and had reached the trouble spot. A message advising customers of the trouble and the corrective work being done was repeated as the car moved through the area. This new method proved to be more effective than any method previously used. The Supervisor of Service commented that never before had such an organization move with such speed and efficiency to solve a problem.

Pictured with the sound equipped vehicle were: Walker, Installation Foreman, and L. T. Mervin, supervising Plant Service Foreman. Thanks to the others who helped, the new method of solving the problem is being considered for similar problems occur.

\$1000 Down and \$75 per Month!

And it is yours! Wow! here's a deal for that extra income! A quaint ten-year-old home with two bedrooms, beam ceilings, large level lot, with easy maintenance. It's very convenient to both shopping center and a lovely country club. Full price? Just \$9,950! Mr. Pursell, LA 5-4776.

Guess What?

We've got it! That lovely stucco home on Marin Avenue. It has three cheerful bedrooms, 1 1/2 baths, central heat, full dining room, plus a sunny breakfast room, huge utility room, over-sized garage and workshop! Be proud with those fine kiddies attending our Marin Grammar School. It's worth it for \$17,950. Mrs. Meyers, TH 3-7808.

Rambling Ranch Style with 25 Acres, too!

Enjoy living in this gracious home atop a knoll overlooking a pond large enough for boating, horse stalls, three wells, etc., etc. The home is very, very charming with a heavy shake roof. Three bedrooms, den, room for a rumpus room. Oh! So many, many advantages. It must be sold as one parcel, "but" owners save sell the home for just \$10,000 and only \$1,000 an acre, which can be subdivided and bring in a handsome profit. For details call Mrs. Neufeld, LA 6-3852.

3 Bed. for \$12,950!

Yes, it is true! Located in a very convenient Berkeley location. It is only 5 years old, and very spacious throughout with its full dining room, breakfast nook in the kitchen, huge living room, wardrobe closets and even colored fixtures in the bathroom! Mrs. Dawson, LA 5-5774.

Attention Owners!

We have a lovely two-year-old 4-plex for sale! The owner will take your home in trade for this terrific income producing property. It shows a gross 12 per cent interest, return on your investment. All units are spacious and charming with beam ceilings, two bedrooms, large cheerful kitchens with eating space, electric stoves. For more data call Mrs. Dawson, LA 5-5774.

Wanna' Go Into Business for Yourself?

Call Mr. Neufeld on this immediately! Ideal Telegraph location near the University Jr. High School and shopping center. For \$4,000 be your own boss now! This price includes all furniture and equipment. Mr. Neufeld, LA 6-3852.

Home and Enormous Full Basement!

Are you a handy man? If so, convert this huge basement into an income producing apartment. This older home is in excellent condition, and the bus stops on the corner! Could you ask for more for \$11,950! Mrs. Meyers, TH 3-7808.

Oh! Ho! Here's Our "Ding-Bat" Special for the Week!

Grab it quick! Income property for \$6,500! Two homes bring in \$85 per month . . . such a return! Located just 1/2 block off Solano Avenue here in Albany! Here's the best part ever! You can purchase this little gem with only \$1,000 down and only \$50 a month at 6 per cent interest. Get on that telephone now. If the line is busy, try again! Mr. Neufeld, LA 6-3852.

Need some industrial land? or commercial property, or land for subdividing, shopping centers, etc., etc? See our specialist, Mr. Pursell, LA 5-4776.

Scotch Comedy At Woodminster

The clans will be gathering at Woodminster Amphitheatre on Friday, Aug. 14, at 8:30 p.m. for the opening of the Scotch musical comedy "Brigadoon" in Joaquin Miller Park, under the sponsorship of the Oakland Park Commission. Jim Duyn (left)

and Frank Falls (right) are the two American hunters who discovered Brigadoon and lassie Donna Peterson in the Highlands.

The exciting musical, staged by John M. Falls with the Oakland Light Opera Association, will be shown Fridays and Saturdays, Aug. 14, 15, 21 and 22, as the second event of the 1959 Woodminster Light Opera series.

In 1921 the Navy installed the first radio set in the House.

Bob
WRIGHT

Washing away trouble, Bob Wright keeps electricity flowing smoothly by cleaning the insulators on power poles from his high perch. This used to be a slow, hand-scrub job. But with the new water jet and truck-mounted tower, it's easy—and 4 times faster . . . another P. G. and E. money-saver that helps hold down the price of service to you. (Our customers pay \$1 for gas and electricity that cost \$1.33 elsewhere.) Count on P. G. and E. and people like Bob to keep gas and electricity your best bargain. And that's important because you're using more and more every year to live better.
